---

## EDUCATION

---

### Brigham Young University

Information Systems Major

- GPA: 3.67/4.00

Provo, Utah  
Aug 2024 – Apr 2027

### Dual High School/College Credit

Nevada State High School

- GPA: 4.00/4.00
- Regents Diploma

Henderson, Nevada  
Aug 2022 – May 2023

## EXPERIENCE

---

### Teacher's Assistant

IS 201 | BYU

- Supported 200+ students by answering technical questions and troubleshooting assignments involving VBA, HTML, CSS, Tableau, SQL, and flowchart design
- Offered individualized support via email, Zoom, and in-person sessions during office hours, contributing to faster resolution of complex programming challenges
- Collaborated with the professor and TA team to streamline feedback processes, enhancing consistency and reducing turnaround time

Provo, Utah  
Jan 2025 – Current

### AI Product Engineer/Developer

Brigham Young University Tech Transfer Office

- Engineered AI-powered web applications that reduced MVP development costs from approximately \$5,000 to under \$500 per project (~90% cost reduction) for early-stage university startups
- Decreased average prototype build time by 60%, delivering investor-ready MVPs in 1–3 weeks instead of traditional 2–3 month cycles
- Built and deployed full-stack applications independently, owning 100% of product architecture, development, and deployment
- Partnered with professors and entrepreneurs to translate high-level research concepts into functional, scalable software products

Provo, Utah  
Dec 2025 – Current

## LEADERSHIP & SERVICE

---

### The Church of Jesus Christ of Latter-Day Saints

Full-Time Missionary

- Served in 3+ diverse regions across Argentina, building trust and tailoring outreach to meet the distinct cultural and community needs of each area
- Facilitated discussions and instruction to help individuals develop life skills and become more self-reliant

Salta, Argentina  
Jun 2023 – May 2024
